# THE MONSOON MANIA

Rethink your skincare strategy with a kiss of nature

**What:** Monsoon collection by Biotique  
**What we like:** The rainy season usually brings out the worst in our skin by triggering clogged pores, breakouts and pigmentation. Don't worry, because the good news, however, is that Biotique brings you its exclusive skincare collection for all your seasonal troubles. We have handpicked the Bio Peach peel-off mask which strips off the dead skin and impurities, leaving you with a lighter and brighter look. We swear by the Bio Cucumber toner this season, that cools down the skin and gets rid of the tiredness, making your skin look fresh and radiant. With a wide range of organic skincare products, it promises to protect your skin from the wrath of the monsoon season.

**Price:** The Bio Peach Mask: 50gms/ ₹199; Bio Cucumber toner: 120ml/ ₹175  
**Available at:** All Biotique stores and online

# MAMMA MIA, MACARONS!

Say hello to velvety, soft skin

**What:** Pond's light moisturiser

**What we like:** Pond's has whipped up a fluffy and non-oily formula to keep your skin supple and dewy throughout the year. With a boost of Vitamin E, it enriches your skin with the perfect radiance. We love the idea of a moisturiser that comes in handy. Even if you are running late for work, Pond's has got you covered with their on the go moisturiser shaped like an adorable macaron. The texture of the moisturiser is smooth and velvety, and blends in seamlessly with your skin.

Designed to suit the moistening needs for all skin types, the skin macaron is an essential for all.

**Price:** Starts from ₹35

**Available at:** Departmental and beauty stores

# THE FRAGRANT FLORALS

Dive into the bliss of these special 'fumes

**What:** The floral collection by Hayari Parfums Paris

**What we Like:** The luxurious French brand, Hayari Parfums has handcrafted elegant floral scents for women. This exclusive collection comprises three signature perfumes, that celebrate femininity and sophistication. We have cherry-picked Broderie as our all-time favourite. It is a rich floral classic with the essence of Lily and Gardenia, that will take you to the French gardens blooming with fresh flowers. These delicate perfumes are as sensual as they are playful.
