excedoluxuria.com and customise handmade shoes that are a blend of top quality handpicked leathers, unmatched craftsmanship and cutting-edge design. With unlimited variations, clients can create chic and trendy Double Monk designs that can be customized to the finest detail.

Excedo Luxuria has introduced a snazzy collection of Double Monks that are handcrafted by qualified craftsmen in workshops Italy, England and Spain. Featuring two straps coming across the upper, the double monk is the hottest shoe in men's fashion right now. Customise your uppers with a variety of exotic leathers such as goat and alligator, handmade patinas and luxurious suede's and velvet. The inners with leather lining and leather-topped insoles are designed to mould to the shape of the foot. Crafted with leather welted soles the double monks with their sharp toes, seam and stitch detailing and stylized graphite metal buckles oozes style and sophistication.
